

aslotel 3000 bathroom hairdryer

features

- stylish & powerful bathroom hairdryer
- no electrical parts in handgrip
- output 600 – 1200 watts
- variable heat & speed control
- integral shaver socket & timer
- switch on by removing hand grip from housing, switch off by replacing hand grip
- flexi hose – comfortable in any position

Care & Maintenance: Clean with a dry, non-abrasive cloth. **DO NOT** use abrasives or solvents. Dust & dirt should be periodically removed from the air inlet grill using a non-metallic brush.

For a sparkling finish aslotel recommends their 'e-cloth professional' to remove bacteria, dirt and grease. See our e-cloth section.

It is strongly recommended that electrical products are installed by a qualified electrician in accordance with current IEE wiring regulations.
