- ✓ Flexi-cable with fitted plug
- ✓ 2 speed settings
- ✓ 3 heat settings
- ✓ Optional wall mounted black holder (E002320) available

Maintenance & Care

Clean with a dry, non-abrasive cloth – **do not** use abrasives or solvents. Dust and dirt should be removed periodically from the air inlet grill using a non-metallic brush.

It is strongly recommended that electrical products are installed by a qualified electrician in accordance with current IEE wiring regulations.
