

Hospitality - Hotel Minibars

Breeze T30

Aesthetics and comfort for the lightest minibars ever. The Breeze line allows installations with any inclination.

Breeze T30 is the thermoelectric minibar with a capacity of 30 litres and reversible door. The internal cabinet is well organized and equipped with adjustable shelves and racks. The refrigerator has no internal or external fans and is equipped with a high-quality thermoelectric plate, as well as with special sealing with long-lasting epoxy resin.
