- ✓ 2 speed and 4 temperature settings
- ✓ Airflow speed of 21M/S
- ✓ Anti-frizz ionic technology for smooth hair
- ✓ Magnetic concentrator nozzle included
- ✓ Magnetic air inlet cover
- ✓ Low noise when compared to traditional 1800w hairdryer

### Maintenance & Care

Clean with a dry, non-abrasive cloth – **do not** use abrasives or solvents. Dust and dirt should be removed periodically from the air inlet grill using a non-metallic brush.

It is strongly recommended that electrical products are installed by a qualified electrician in accordance with current IEE wiring regulations.
